SOCIALLY AND ENVIRONMENTALLY RESPONSIBLE INVESTMENTS

Tom McCarthy will speak about green investment.
Jeff Dicken will follow with a discussion on community based investing
and the "Occupy Baltimore" demonstrations.

The Baltimore Green Forum is using a new format, with a 45 minute presentation, followed by break-outs into Affinity Groups. As always, there will be time for announcements and networking.

The Purpose of the Baltimore Green Forum is to seek to improve the quality of *all* life in the greater Baltimore area. Our contribution to this goal will be to gather monthly in order to: **Discern** the progress towards regional sustainability that has already been achieved, **Discover** the connections amidst the chaos of the movement and build a community of like-minded individuals, and **Do** take appropriate action to address the challenges we face together. BGF is open to the public and is free of charge, but donations to Maryland Presbyterian Church are greatly appreciated. For questions, to co-sponsor, or to RSVP, contact baltimoregreenforum@gmail.com or [301-345-2234](tel:301-345-2234).

The BaltimoreGreen Forum is Co-Sponsored by:
