Quantum Spirituality.

Lore Rosenthal, Baltimore Green Forum Founder and Brother Henry, long time Baltimore Green Forum member, a most unlikely pair, indeed, will collaborate to offer their background, research, experience, and insights on exploring how the new ecology and the new cosmology are helping or hindering the union or the division with the new spirituality.

The Baltimore Green Forum is using a new format, with a 45 minute presentation, followed by break-outs into Affinity Groups. As always, there will be time for announcements and networking.

***The Purpose of the Baltimore Green Forum** is to seek to improve the quality of all life in the greater Baltimore area. Our contribution to this goal will be to gather monthly in order to: **Discern** the progress towards regional sustainability that has already been achieved, **Discover** the connections amidst the chaos of the movement and build a community of like-minded individuals, and **Do** take appropriate action to address the challenges we face together. BGF is open to the public and is free of charge, but donations to Maryland Presbyterian Church are greatly appreciated. For questions, to co-sponsor, or to RSVP, contact baltimoregreenforum@gmail.com or 301-345-2234.*
